# The Plantlife of Ratho

Fumitories and Corydalis • 2021-02-15

## Corydalis

**Climbing Corydalis** - Behind the Airport at Craigie, perhaps elsewhere

(Climbing Corydalis)

**Yellow Corydalis** - Baird Road walls

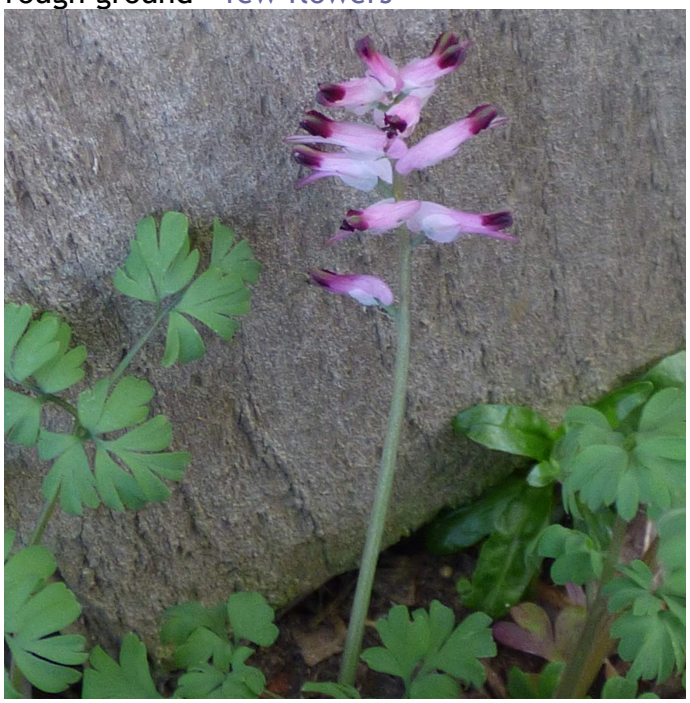
(Yellow Corydalis)

# Fumitories

**Common Fumitory** - Widespread, disturbed ground- many small flowers, frillier leaves

(Common Fumitory)

**Common Ramping Fumitory** - Widespread, rough ground - few flowers



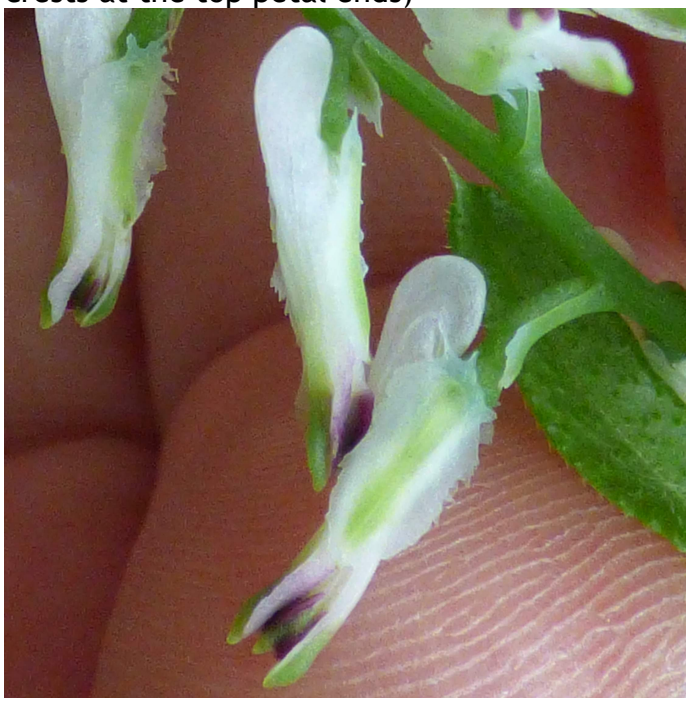
Common Ramping Fumitory

**Tall Ramping Fumitory** - Very rare, this from near the entrance to Craigpark Cala - no dark tip to top petal

(Tall Ramping Fumitory)

**White Ramping-Fumitory** - Very rare, this from the field edge beside Tormain Woods - mature flowers bend down and its green crest seen from the side, side 'shields' (sepals) large

(White Ramping-Fumitory, showing its green crests at the top petal ends)



**Purple Ramping Fumitory** - Dotted around -
mature flowers may bend down, crest hidden
viewed from side, side ‘shields’ (sepals) large

(Purple Ramping Fumitory)
